

[illegible]

The drawing is a technical architectural representation of a two-story residential building. It includes a cross-section at the top showing the roof structure with rafters and two chimneys. Below this are two floor plans. The upper floor plan shows a living area with a fireplace, a kitchen, and a bathroom. The lower floor plan shows two bedrooms and a bathroom. The drawing is annotated with various dimensions and labels. Key dimensions include room heights (e.g., 204, 268, 64, 129, 154, 383), window and door sizes (e.g., 204, 64, 129, 154, 383), and floor levels (e.g., +3.30, ±0.00). Labels 'C1', 'C2', 'd1', 'd2', and 'd10' are used to identify specific components. The drawing is oriented with the ground level at the bottom and the roof at the top.

Architectural floor plan of a house with a gabled roof. The plan shows a central hall (C1) with a fireplace, a kitchen (C2) with a sink and stove, and a living area (C3) with a fireplace and three windows. The plan includes dimensions for room sizes and overall building dimensions. The roof is gabled with a pitch of 12/12. The floor is finished with a patterned material. The walls are shown in cross-section. The plan is oriented with the entrance on the right side.
